

Book and Equipment List - 2009

Dear Parents and Carers,

The following list of requirements comprises materials your child/ren will require for 2009 at the commencement of the school year. You may be advised if additional items become necessary throughout the year. Partially used materials from 2008 may be used if they are still in good condition and meet requirements.

Parent/carers are requested to ensure that items on this list are replaced as they are used up/finished. This applies especially to items such as exercise books and pencils.

Teachers have asked for a box of pencils to be supplied at the start of the year to be distributed to the child as required. They have asked that pencils from cheap importers be avoided as they tend to break the entire length of the lead causing difficulty keeping sharp.

Please do not buy 'spiral bound' or 'ring bound' books, unless specifically requested, as they fall apart quite easily. Please note that metal rulers and 'pacer style' pencils are not permitted.

Newsagency Order Completion

This Booklist is a form that can be submitted to either Boyne Island or Tannum Sands Newsagencies to have orders made up. Simply cross out the items **you do not want** for the relevant year level/s and return to the Office by **Friday December 12th 2008** or either Newsagency.

Collecting and Pooling Items

Some classes may collect and pool some items for distribution throughout the year. Items may include pencils, glue, scissors, crayons, paintbrushes and tissues.

Information and Communication Technologies (ICTs)

USB Drives for students in Years 4 to 7 can be purchased from the Office for \$10 each. These 1GB USB Drives are the ones recommended for use throughout our school. Each drive has the school logo printed on it and will be engraved with your child/ren's name for easy identification.

If you have any questions please contact your child's teacher, or myself.

Yours faithfully,

Mr Michael Hurst
PRINCIPAL

Please clearly **NAME** all items including school stationery, school bags, hats, shoes, coats, etc for easy identification. While this does not guarantee that items will not be lost, it assists teachers in locating owners.
